LOCAL QUALIFYING INFORMATION

The registration and competition times for all players for the Ridgecrest Golf Club Drive, Chip and Putt Local Qualifier are attached separately on this webpage. Parents – Please have your child on site to register 30 minutes before their competition time.

Welcome to Ridgecrest Golf Club and Drive, Chip and Putt Local Qualifying. This competition is made possible thanks to the support of the City of Nampa, Idaho and Host PGA Professional Scott Nicholes. We will be identifying three qualifiers from Girls and Boys in each of four age divisions: 7-9; 10-11; 12-13 and 14-15. As a reminder, ages are determined based on the players' age on Championship Sunday – April 5, 2020.

Each player will compete in Driving, Chipping and Putting. At each skill, the player will play three shots with point values awarded based on the result of each shot. Golf balls will be provided for the driving competition; participants will not be allowed to use their own golf balls. Participants will be allowed to use their own balls for the chipping and putting competitions. To view the complete rules and scoring explanations please visit www.drivechipandputt.com.

Players will be expected to be at the appropriate skill, ready to play, when introduced by the starter. We expect little free time between skills, so players should move directly to the next skill as they complete their turn.

Pace of Play – Players will play without delay and must play when prompted by the starter. Delay between strokes may result in points deducted.

Advice/Coaching – Once a player begins a particular skill contest they will complete that skill without coaching or other assistance.

Safety of all players and spectators is important. Parents are expected, if available, to supervise their children, both those competing and not competing. Parents should be present, if available, whenever their child is going to swing a club other than in a competition to ensure the safety of the player and those around the player. Players should never swing a club when others are near. Parents should supervise your practice swings to ensure the safety of everyone.

Following the completion of play in each division there will be an awards ceremony at the official scoring area. Ribbons will be presented 1-2-3 in each skill as well as 1-2-3 overall in the division. Once the awards ceremony is complete, there are no further activities for players in that division, you are free to depart.

The top three players in each division will advance to the Sub Regional Qualifier on August 9, 2019 at The Highlands Golf Course, 5600 East Mullan Avenue, Post Falls, ID, 83854. The link to their website is <https://www.thehighlandsgc.com/> and their phone number is (208) 773-3673.

Thank you for your assistance in creating a safe and fun competition. Good luck to everyone.
